

Call for New National Bowls Development Committee

Members

Bowls Canada Boulingrin is inviting interested and qualified applicants to submit applications by **December 15, 2019** for up to six volunteer positions on the BCB National Bowls Development Committee. The mandate of this new committee is to facilitate the development and successful operations of BCB long term development programs. This includes development of bowlers and coaches in the club environment up to and including Train-to-Compete levels. The committee will explore new and exciting initiatives to help Canadian bowls develop nation-wide.

The committee positions will be split equally between one-year and two-year terms. Appointments are made by the Board of Directors of Bowls Canada Boulingrin. Please refer to the information below. All application forms should be forwarded to the office at (office@bowlscanada.com) by **December 15, 2019**.

Preferred Qualifications and Experience

- Experience/knowledge of the Canadian and bowls specific long-term development strategy
- Proven experience in a coaching and/or athlete development role at a provincial and/or national level
- Understanding of the requirements of quality sport delivery which includes facilities, volunteers, and programming at the club level
- Technical knowledge and experience of bowls competitions at the domestic level – local through to national levels of competition.
- Experience with coaching, officiating, and/or playing at the provincial or national level is an asset
- Excellent and demonstrable leadership, inter-personal and communication skills
- Computer skills with Microsoft Office, e-mail, Internet and web-based technology
- Bilingualism is an asset

Requirements and Commitments

- Must hold current individual membership in an affiliated BCB club;
- Must be a resident of Canada (permanent residence is in Canada)
- Must not be a current member of the Bowls Canada Boulingrin Board of Directors.
- Must be willing to attend monthly conference calls and provide feedback through email and other digital means.

Description of Duties of the National Bowls Development Committee

- Ensure an overall strategy of Long Term Development is implemented and identify areas of priority for further advancement.
- Create and maintain developmentally appropriate pathways, reference materials, and programs, targeted at new and existing bowlers, in the long term development stages of Learn-to-Bowl, Train-to-Play, Learn-to-Compete, and Train-to-Compete.
- Identify and recommend appropriate and sustainable competition structures to support bowlers in long term development stages of Learn-to-Bowl, Train-to-Play, Learn-to-Compete, and Train-to-Compete.
- Identify and recommend appropriate long term coach development pathways such that each stage of bowler development is supported.
- Assist with ensuring nationally sanctioned competitions meet player development needs and technical specifications as required, including alignment of conditions of play and other national championship policies.
- Collaborate with other groups (e.g. World Bowls, other sports organizations, BCB committees and working groups) as necessary to ensure BCB's long term development plans are aligned, relevant, and up-to-date.
- Collaborate with the National Officiating Committee to ensure long term official development pathways align with long term bowler and long term coach development pathways.
- Advise provincial associations on long term development implementation as requested.
- Ensure that the long term development of Para-bowlers is identified.
- Consider and recommend club implementation strategies for successful and developmentally appropriate bowler recruitment and retention.
- Recognizes facility restraints and recommends developmentally appropriate creative solutions.
- Ensure that materials and data developed regarding the Bowls Canada Boulingrin Development Committee meetings and initiatives are updated and archived/stored with the Bowls Canada national office.
