Definitions

1. The following terms have these meanings in this Code:

- a) **“Abuse”** – Includes Psychological Maltreatment, Physical Maltreatment, Neglect, Financial and/or Grooming of Vulnerable Participants by Persons in Authority and which can have the following warning signs:
 - i. Recurrent unexplained injuries
 - ii. Alert behaviour; child seems to always be expecting something bad to happen
 - iii. Often wears clothing that covers up their skin, even in warm weather
 - iv. Child startles easily, shies away from touch or shows other skittish behaviour
 - v. Constantly seems fearful or anxious about doing something wrong
 - vi. Withdrawn from peers and adults
 - vii. Behavior fluctuates between extremes (e.g., extremely cooperative or extremely demanding)
 - viii. Acting either inappropriately beyond their age (like an adult; taking care of other children) or inappropriately younger than their age (like an infant; throwing tantrums)
 - ix. Acting out in an inappropriate sexual way with toys or objects
 - x. New adult words for body parts and no obvious source
 - xi. Self-harm (e.g., cutting, burning or other harmful activities)
 - xii. Not wanting to be alone with a particular child or young person
- b) **“Athlete”** – An individual who is an Athlete Participant in BCB who is subject to the UCCMS and the policies of BCB
- c) **“Consent”** – *Consent* is defined in *Canada’s Criminal Code* as the voluntary agreement to engage in the sexual activity in question. The law focuses on what the person was actually thinking and feeling at the time of the sexual activity. Sexual touching is only lawful if the person affirmatively communicated their consent, whether through words or conduct. Silence or passivity does not equal consent. Sexual activity is only legal when both parties consent. The *Criminal Code* also says there is no consent when: Someone says or does something that shows they are not consenting to an activity; Someone says or does something to show they are not agreeing to continue an activity that has already started; Someone is incapable of consenting to the activity, because, for example, they are unconscious; The consent is a result of a someone abusing a position of trust, power or authority or someone consents on someone else’s behalf. A person cannot say they mistakenly believed a person was consenting if: that belief is based on their own intoxication; they were reckless about whether the person was consenting; they chose to ignore things that would tell them there was a lack of consent; or they didn’t take proper steps to check if there was consent. Sexual activity with a Minor is a criminal offence as is sexual activity with a person under the age of 18 years when the other person is in a position of trust or authority
- d) **“Disclosure”** - The sharing of information by a Participant regarding an incident or a pattern of Maltreatment experienced by that Participant. Disclosure does not constitute a formal report that initiates a process of investigation to address the Maltreatment.
- e) **“Discrimination”** – Differential treatment of an individual based on one or more prohibited grounds which include race, citizenship, national or ethnic origin, colour, religion, age, sex, sexual orientation, gender identity or expression, marital status, family status, genetic characteristics, or disability.
- f) **“Duty to Report”** –

- i. Concerns Under Child Protection Legislation: A legal duty to report is mandated by law, and the requirement varies by province depending on provincial legislation. Everyone has a duty to report child abuse and neglect under Canadian child welfare laws. Professionals who work with children and youth have an added responsibility to report. Adults are obliged to report child Maltreatment if there is knowledge or suspicion that it is occurring. This is called the “duty to report.” Every person in Canada has the duty to report known or suspected child Maltreatment by law. Known or suspected abuse or Neglect of a child must be reported to: local child welfare services (e.g., children’s aid society or child and family services agency), or provincial/territorial social service ministries or departments, or local police
 - ii. Concerns Outside of Child Protection Legislation: Participants have a duty to report concerns of inappropriate conduct of other Participants to uphold the ethical standards and values of Canadian sport. Reporting inappropriate conduct is important to ensure proper action is taken and expectations are re-established. By addressing inappropriate conduct, a collective responsibility to protect Participants from Maltreatment is enacted
- g) *“Grooming”* - Deliberate conduct by a Participant to sexualize a relationship with a Minor that involves the gradual blurring of boundaries and normalization of inappropriate and sexually abusive behaviour. During the grooming process, the Participant will gain the trust of the Minor and protective adults and peers around the Minor often under the guise of an existing relationship. Manipulation tactics are then used to blur perceptions and gain further access to and private time with the Minor in order to abuse or exploit the Minor. Grooming can occur whether or not harm is intended or results from the behaviour. (Grooming is also a prohibited behaviour listed under the definition of Maltreatment).
- h) *“Harassment”* – A course of vexatious comment or conduct against an Individual or group, which is known or ought to reasonably be known to be unwelcome. Types of behaviour that constitute Harassment include, but are not limited to:
- i. Written or verbal abuse, threats, or outbursts;
 - ii. Persistent unwelcome remarks, jokes, comments, innuendo, or taunts;
 - iii. Racial harassment, which is racial slurs, jokes, name calling, or insulting behaviour or terminology that reinforces stereotypes or discounts abilities because of racial or ethnic origin;
 - iv. Leering or other suggestive or obscene gestures;
 - v. Condescending or patronizing behaviour which is intended to undermine self-esteem, diminish performance or adversely affect working conditions;
 - vi. Practical jokes which endanger a person’s safety, or may negatively affect performance;
 - vii. Hazing, which is any form of conduct which exhibits any potentially humiliating, degrading, abusive, or dangerous activity expected of a junior-ranking individual by a more senior individual, which does not contribute to either individual’s positive development, but is required to be accepted as part of a team or group, regardless of the junior-ranking individual’s willingness to participate. This includes, but is not limited to, any activity, no matter how traditional or seemingly benign, that sets apart or alienates any teammate or group member based on class, number of years on the team or with the group, or ability;
 - viii. Unwanted physical contact including, but not limited to, touching, petting, pinching, or kissing;
 - ix. Deliberately excluding or socially isolating a person from a group or team;
 - x. Persistent sexual flirtations, advances, requests, or invitations;
 - xi. Physical or sexual assault;
 - xii. Contributing to a *poisoned sport environment*, which can include:
 - a. Locations where material that is discriminatory is displayed (e.g., sexually explicit posters and racial/racist cartoons)
 - b. Groups where harassing behaviour is part of the normal course of activities

- c. Behaviour that causes embarrassment, awkwardness, endangers a person's safety or negatively affects performance
 - xiii. Behaviours such as those described above that are not directed towards a specific person or group but have the same effect of creating a negative or hostile environment; and
 - xiv. Retaliation or threats of retaliation against a person who reports harassment to BCB.
- i) *"Maltreatment"* – Includes Maltreatment related to:
 - i. *Psychological Maltreatment* – which includes, without limitation, verbal acts, non-assaultive physical acts and acts that deny attention or support
 - a. Verbal Acts - Verbally assaulting or attacking someone, including but not limited to: unwarranted personal criticisms; body shaming; derogatory comments related to one's identity (e.g. race, gender identity or expression, ethnicity, Indigenous status, ability/disability); comments that are demeaning, humiliating, belittling, intimidating, insulting or threatening; the use of rumours or false statements about someone to diminish that person's reputation; using confidential sport and non-sport information inappropriately. Verbal Maltreatment may also occur in online forms.
 - b. Non-assaultive Physical Acts (no physical contact) - Physically aggressive behaviors, including but not limited to: throwing objects at or in the presence of others without striking another; hitting, striking or punching objects in the presence of others
 - c. Acts that Deny Attention or Support - Acts of commission that deny attention, lack of support or isolation including but not limited to: ignoring psychological needs or socially isolating a person repeatedly or for an extended period of time; abandonment of an Athlete as punishment for poor performance; arbitrarily or unreasonably denying feedback, training opportunities, support or attention for extended periods of time and/or asking others to do the same
 - ii. *Physical Maltreatment* – includes, without limitation, contact or non-contact behaviours that have the potential to cause physical harm
 - a. Contact behaviours - Including but not limited to: deliberately punching, kicking, beating, biting, striking, strangling or slapping another; deliberately hitting another with objects
 - b. Non-contact behaviours - Including but not limited to: isolating a person in a confined space; forcing a person to assume a painful stance or position for no athletic purpose (e.g., requiring an Athlete to kneel on a hard surface); the use of exercise for the purposes of punishment; withholding, recommending against, or denying adequate hydration, nutrition, medical attention or sleep; denying access to a toilet; providing alcohol to a Participant under the legal drinking age; providing illegal drugs or non-prescribed medications to a Participant; encouraging or knowingly permitting an Athlete to return to play prematurely following any injury or after a concussion and without the clearance of a medical professional; encouraging an Athlete to perform a skill for which they are known to not be developmentally ready
 - iii. *Sexual Maltreatment* – includes, without limitation, any act targeting a person's sexuality, gender identity or expression, that is committed, threatened or attempted against a person, and includes but is not limited to the Criminal Code Offences of sexual assault, sexual exploitation, sexual interference, invitation to sexual touching, indecent exposure, voyeurism and non-consensual distribution of sexual/intimate images. Sexual Maltreatment also includes sexual harassment and stalking, cyber harassment, and cyber stalking of a sexual nature. Examples include:
 - a. Any penetration of any part of a person's body, however slight, with any object or body part by a person upon another person, including but not limited to:
 - 1. vaginal penetration by a penis, object, tongue, or finger; and
 - 2. anal penetration by a penis, object, tongue, or finger

- b. Any intentional touching of a sexual nature of any part of a person's body, however slight, with any object or body part by a person upon another person, including but not limited to:
 - 1. kissing;
 - 2. intentional touching of the breasts, buttocks, groin or genitals, whether clothed or unclothed, or intentionally touching of another with any of these body parts;
 - 3. any contact, no matter how slight, between the mouth of one person and the genitalia of another person, and
 - 4. making another touch themselves, the Participant, or someone else with or on any of the body parts listed in b).
 - 5. any intentional touching in a sexualized manner of the relationship, context or situation
 - c. In addition to the criminal acts identified above, the UCCMS prohibits sexual relations between an Athlete above the age of majority (depending upon jurisdiction) and a Participant who holds a position of trust and authority on the basis that there can be no Consent where there is a Power Imbalance. A Power Imbalance that is presumed to exist may be challenged
 - iv. *Neglect* – or acts of omission, includes without limitation: not providing an Athlete recovery time and/or treatment for a sport injury; not being aware of and not considering an individual's physical or intellectual disability; not considering supervision of an Athlete during travel, training or competition; not considering the welfare of the Athlete when prescribing dieting or other weight control methods (e.g., weigh-ins, caliper tests); disregarding the use of performance-enhancing drugs by an Athlete; failure to ensure safety of equipment or environment; allowing an Athlete to disregard sport's rules, regulations, and standards, subjecting Participants to the risk of Maltreatment
 - v. **Financial abuse** - encompasses financial manipulation or exploitation, including theft, fraud, forgery, or extortion. It includes using a vulnerable adult's money or property in a dishonest manner, or failing to use a vulnerable adult's assets for their welfare. Abuse occurs any time someone acts without consent in a way that financially or personally benefits one person at the expense of another. This type of abuse against a vulnerable adult may include, for example:
 - a. Stealing their money, disability cheques, or other possessions
 - b. Wrongfully using a Power of Attorney
 - c. Failing to pay back borrowed money when asked
 - vi. *Grooming* – is often a slow, gradual and escalating process of building trust and comfort with a young person. Grooming includes, without limitation, the process of making inappropriate behaviour seem normal and gradually engaging in 'boundary violations' which have been professionally-identified to Canadian standards (e.g., a degrading remark, a sexual joke, sexualized physical contact; adult Participants sharing rooms with a Minor who is not an immediate family member; providing a massage or other purported therapeutic interventions with no specific training or expertise; private social media and text communications; sharing personal photographs; shared use of locker rooms; private meetings; private travel, and providing gifts. The Grooming process:
 - a. Grooming usually begins with subtle behaviours that do not appear to be inappropriate. Many victims/survivors of sexual abuse do not recognize the grooming process as it is happening, nor do they recognize that this process of manipulation is part of the overall abuse process.
 - b. In the grooming process, the offender begins by gaining trust of adults around the young person. The offender establishes a friendship and gains the young person's

- trust. Grooming then involves testing boundaries (e.g. telling sexual jokes, showing sexually explicit images, making sexual remarks). Typically, behaviour moves from non-sexual touching to “accidental” sexual touching
- c. The young person is often manipulated into feeling responsible for the contact, is discouraged from telling anyone else about the relationship, and is made to feel obligated to protect the offender. The offender also builds trust with those close to the young person so that the relationship with the young person is not questioned
- vii. *Interference with or Manipulation of Process* – it is considered maltreatment if an adult Participant directly or indirectly interferes with a process by:
- a. falsifying, distorting, or misrepresenting information, the resolution process, or an outcome;
 - b. destroying or concealing information;
 - c. attempting to discourage an individual’s proper participation in or use of the processes of BCB;
 - d. harassing or intimidating (verbally or physically) any person involved in the processes before, during, and/or following any proceedings of BCB;
 - e. publicly disclosing a Participant’s identifying information, without the Participant’s agreement;
 - f. failing to comply with any temporary or provisional measure or other final sanction;
 - g. distributing or otherwise publicizing materials a Participant gains access to during an investigation or hearing, except as required by law or as expressly permitted; or
 - h. influencing or attempting to influence another person to interfere with or manipulate the process
 - i. Retaliation – which means that a Participant shall not take an adverse action against any person for making a good faith Report of possible Maltreatment or for participating in any process related to alleged conduct violations. Retaliation includes threatening, intimidating, harassing, coercing or any other conduct that would discourage a reasonable person from engaging or participating in the processes of the BCB. Retaliation after the conclusion of investigation and sanction processes is also prohibited. Retaliation may be present even where there is a finding that no Maltreatment occurred. Retaliation does not include good-faith actions lawfully pursued in response to a Report of possible Maltreatment
 - j. Aiding and Abetting – which is any act taken with the purpose of facilitating, promoting, or encouraging the commission of Maltreatment by a Participant. Aiding and Abetting also includes, without limitation, knowingly:
 1. allowing any person who has been suspended or is otherwise ineligible to be in any way associated with sport or to coach or instruct Participants;
 2. providing any coaching-related advice or service to an Athlete who has been suspended or is otherwise ineligible; and
 3. allowing any person to violate the terms of their suspension or any other sanctions imposed
- viii. *Reporting* – it is considered Maltreatment to fail to report Maltreatment of a Minor. A legal Duty to Report is mandated by law, and the requirement varies by province depending on provincial legislation
- a. Failure to Report Maltreatment of a Minor
 1. The obligation to Report requires the Reporting of any conduct which, if proven true, would constitute Psychological Maltreatment, Sexual Maltreatment, Physical Maltreatment or Neglect involving a Minor Participant. The obligation to Report is an ongoing one and is not satisfied simply by making an initial Report. The obligation includes Reporting, on a

- timely basis, all relevant information of which an adult Participant becomes aware
2. The obligation to Report includes making a direct Report
 3. The obligation to Report includes personally identifying information of a potential Minor Complainant to the extent known at the time of the Report, as well as a duty to reasonably supplement the Report as to identifying information learned at a later time
 4. Participants should not investigate or attempt to evaluate the credibility or validity of allegations involving Psychological Maltreatment, Sexual Maltreatment, Physical Maltreatment or Neglect. Participants making a good faith Report are not required to prove the Reports are true before reporting
- b. Failure to Report Inappropriate Conduct
 1. Not all inappropriate conduct may meet the threshold for constituting Maltreatment. However, such inappropriate conduct may represent behavior with the risk of escalating to Maltreatment. Any Participant who suspects or becomes aware of another Participant's inappropriate conduct, even if it is not defined as Maltreatment, has a Duty to Report such inappropriate conduct through the organization's internal procedures. Those in positions of trust and authority who become aware of another's inappropriate conduct have a responsibility for reporting the concern within their organization's policies and procedures. The person making the report does not need to determine whether a violation took place: instead, the responsibility lies in reporting the objective behaviour
 - c. Intentionally Filing a False Allegation
 1. An allegation is false if the events Reported did not occur, and the person making the Report knows the events did not occur
 2. A false allegation is different from an unsubstantiated allegation; an unsubstantiated allegation means there is insufficient supporting evidence to determine whether an allegation is true or false. Absent demonstrable bad faith, an unsubstantiated allegation alone is not grounds for a violation
- j) *“Minor”* – Any Participant who is under the age of majority at the time and in the jurisdiction where the alleged Maltreatment has occurred. Adults are responsible for knowing the age of a Minor. For the purpose of protection in each Canadian province and territory, a Minor is a child younger than the following age:
- a. 16 years old: Newfoundland and Labrador; Saskatchewan; Northwest Territories; Nunavut
 - b. 18 years old: Prince Edward Island; Quebec; Ontario; Manitoba; Alberta
 - c. 19 years old: Nova Scotia; New Brunswick; British Columbia; Yukon
 - d. Children with disabilities are eligible for protective services until age 19
- k) *“Neglect”* – Any pattern or a single serious incident of lack of reasonable care, inattention to a Participant's needs, nurturing or well-being, or omissions in care. Neglect is determined by the objective behaviour but the behaviour must be evaluated with consideration given to the Participant's needs and requirements, not whether harm is intended or results from the behaviour. (Neglect is also a prohibited behaviour listed under the definition of Maltreatment)
- l) *“Participants”* – Refers to all categories of individual members and/or registrants defined in the By-laws of BCB who are subject to the UCCMS and the policies BCB, as well as all people employed by, contracted by, or engaged in activities with, BCB including, but not limited to, employees, contractors, Athletes, coaches, instructors, officials, volunteers, managers, administrators, committee members, parents or guardians, spectators, committee members, and Directors and Officers

- m) *“Person in Authority”* – Any Participant who holds a position of authority within BCB including, but not limited to, coaches, instructors, officials, managers, support personnel, chaperones, committee members, and Directors and Officers
- n) *“Physical Maltreatment”* – Any pattern or a single serious incident of deliberate conduct that has the potential to be harmful to the physical well-being of the Participant. Physical Maltreatment includes, without limitation, contact or non-contact infliction of physical harm. Physical Maltreatment is determined by the objective behaviour, not whether harm is intended or results from the behaviour. (Physical Maltreatment is also a prohibited behaviour listed under the definition of Maltreatment)
- o) *“Power Imbalance”* – A Power Imbalance may exist where, based on the totality of the circumstances, a Participant has supervisory, evaluative, a duty of care, or other authority over another Participant. A Power Imbalance may also exist between an Athlete and other adults involved in sport in positions such as high-performance directors, sport specific health-care providers, sport science support staff, care or support persons, guides or pilots. Maltreatment occurs when this power is misused. Once a coach-Athlete relationship is established, a Power Imbalance is presumed to exist throughout the coach-Athlete relationship, regardless of age, and is presumed to continue for Minor Athletes after the coach-Athlete relationship terminates or until the Athlete reaches 25 years of age. A Power Imbalance may exist, but is not presumed, where an intimate relationship existed before the sport relationship commenced (e.g., a relationship between two spouses or life partners, or a sexual relationship between consenting adults that preceded the sport relationship).
- p) *“Psychological Maltreatment”* – Any pattern or a single serious incident of deliberate conduct that has the potential to be harmful to the psychological well-being of the Participant. Psychological Maltreatment includes, without limitation, verbal conduct, non-assaultive physical conduct, and conduct that denies attention or support. Psychological Maltreatment is determined by the objective behaviour, not whether harm is intended or results from the behaviour. (Psychological Maltreatment is also a prohibited behaviour listed under the definition of Maltreatment)
- q) *“Sexual Maltreatment”* –
 - a. Involving a Child: Any form of adult/child sexualized interaction constitutes child sexual abuse. Sexual abuse of a child may occur through behaviours that do or do not involve actual physical contact. (Sexual Maltreatment is also a prohibited behaviour listed under the definition of Maltreatment)
 - b. Involving a person over the Age of Majority: Any sexual act, whether physical or psychological in nature, that is committed, threatened, or attempted against a Participant without the Participant’s Consent. It includes any act targeting a Participant’s sexuality, gender identity or expression, that is committed, threatened or attempted against a Participant without that Participant’s Consent, and includes but is not limited to, the Criminal Code Offences of sexual assault, sexual exploitation, sexual interference, invitation to sexual touching, indecent exposure, voyeurism and non-consensual distribution of sexual/intimate images. Sexual Maltreatment also includes sexual harassment and stalking, cyber harassment, and cyber stalking of a sexual nature. Sexual Maltreatment can take place through any form or means of communication (e.g. online, social media, verbal, written, visual, hazing, or through a third party). (Sexual Maltreatment is also a prohibited behaviour listed under the definition of Maltreatment)
- r) *“Sexual Harassment”* – A course of vexatious comment or conduct against an Individual because of sex, sexual orientation, gender identity or gender expression, where the course of comment or conduct is known or ought reasonably to be known to be unwelcome; or making a sexual solicitation or advance where the person making the solicitation or advance is in a position to confer, grant or deny a benefit or advance to the Individual and the person knows or ought reasonably to know that the solicitation or advance is unwelcome. Types of behaviour that constitute Sexual Harassment include, but are not limited to:

- i. Sexist jokes;
 - ii. Threats, punishment, or denial of a benefit for refusing a sexual advance;
 - iii. Offering a benefit in exchange for a sexual favour;
 - iv. Demanding hugs;
 - v. Bragging about sexual ability;
 - vi. Leering (persistent sexual staring);
 - vii. Sexual assault;
 - viii. Display of sexually offensive material;
 - ix. Distributing sexually explicit messages or attachments such as pictures or video files;
 - x. Sexually degrading words used to describe an Individual;
 - xi. Unwelcome inquiries into or comments about an Individual's gender identity or physical appearance;
 - xii. Inquiries or comments about an Individual's sex life;
 - xiii. Persistent, unwanted attention after a consensual relationship ends;
 - xiv. Persistent unwelcome sexual flirtations, advances, or propositions; and
 - xv. Persistent unwanted contact.
- s) *"Vulnerable Participants"* – Includes Minors and vulnerable adults (people who, because of age, disability or other circumstance, are in a position of dependence on others or are otherwise at a greater risk than the general population of being harmed by people in positions of trust or authority)
- t) *"Workplace"* - Any place where business or work-related activities are conducted. Workplaces include but are not limited to, BCB's office, work-related social functions, work assignments outside BCB's offices, work-related travel, and work-related conferences or training sessions
- u) *"Workplace Harassment"* – Vexatious comment or conduct against a worker in a Workplace that is known or ought reasonably to be known to be unwelcome. Workplace Harassment should not be confused with legitimate, reasonable management actions that are part of the normal work/training function, including measures to correct performance deficiencies, such as placing someone on a performance improvement plan, or imposing discipline for workplace infractions. Types of behaviour that constitute Workplace Harassment include, but are not limited to:
- i. Bullying;
 - ii. Workplace pranks, vandalism, bullying or hazing;
 - iii. Repeated offensive or intimidating phone calls or emails;
 - iv. Inappropriate sexual touching, advances, suggestions or requests;
 - v. Displaying or circulating offensive pictures, photographs or materials in printed or electronic form;

 - xi. Intimidating words or conduct (offensive jokes or innuendos); and
 - xii. Words or actions which are known or should reasonably be known to be offensive, embarrassing, humiliating, or demeaning.
- v) *"Workplace Violence"* – the use of or threat of physical force by a person against a worker in a Workplace that causes or could cause physical injury to the worker; an attempt to exercise physical force against a worker in a Workplace that could cause physical injury to the worker; or a statement or behaviour that it is reasonable for a worker to interpret as a threat to exercise physical force against the worker in a Workplace that could cause physical injury to the worker. Types of behaviour that constitute Workplace Violence include, but are not limited to:

- i. Verbal or written threats to attack;
- ii. Sending to or leaving threatening notes or emails;
- iii. Physically threatening behaviour such as shaking a fist at someone, destroying property, or throwing objects;
- iv. Wielding a weapon in a Workplace;
- v. Hitting, pinching or unwanted touching which is not accidental;
- vi. Dangerous or threatening horseplay;

Purpose

2. The purpose of this Code is to ensure a safe and positive environment (within BCB's programs, activities, and events) by making Participants aware that there is an expectation, at all times, of appropriate behaviour consistent with BCB's core values. BCB supports equal opportunity, prohibits discriminatory practices, and is committed to providing an environment in which all individuals are treated with respect and fairness.

Application of this Code

3. This Code applies to Participants' conduct during BCB's business, activities, and events including, but not limited to, competitions, practices, tryouts, training camps, travel associated with BCB's activities, BCB's office environment, and any meetings.
4. A Participant who violates this Code may be subject to sanctions pursuant to BCB's *Discipline and Complaints Policy*. In addition to facing possible sanction pursuant to BCB's *Discipline and Complaints Policy*, a Participant who violates this Code during a competition may be ejected from the competition or the playing area, the official may delay the competition until the Participant complies with the ejection, and the Participant may be subject to any additional discipline associated with the particular competition.
5. *This Code applies to Participants active in the sport or who have retired from the sport where any claim regarding a potential breach of this Code occurred when the Participant was active in the sport.
6. An employee of BCB found to have engaged in acts of violence or harassment against any other employee, worker, contractor, member, customer, supplier, client or other third party during business hours, or at any BCB event, will be subject to appropriate disciplinary action subject to the terms of BCB's *Human Resource Policy Manual* as well as the employee's Employment Agreement (if applicable).
7. This Code also applies to Participants' conduct outside of BCB's business, activities, and events when such conduct adversely affects relationships within BCB (and its work and sport environment) and is detrimental to the image and reputation of BCB. Such applicability will be determined by BCB at its sole discretion.

Persons in Authority and Maltreatment

8. *When they are a Person in Authority, Participants are responsible for knowing what constitutes Maltreatment. The categories of Maltreatment are not mutually exclusive, nor are the examples provided in each category an exhaustive list. Rather, what matters for the assessment of the Maltreatment is whether the conduct falls into one or more of the categories, not into which category it falls. Abuse, assault, Harassment, bullying, and hazing can be experienced in more than one category of Maltreatment.

9. *Maltreatment can be any of the prohibited behaviours and conduct, provided the Maltreatment occurs in any one or a combination of the following situations (The physical location(s) where the alleged Maltreatment occurred is not determinative):
- a) Within a sport environment;
 - b) When the Participant alleged to have committed Maltreatment was engaging in sport activities;
 - c) When the Participants involved interacted due to their mutual involvement in sport; or
 - d) Outside of the sport environment where the Maltreatment has a serious and detrimental impact on another Participant.
10. *It is a violation of the Code for sport administrators or other Persons in Authority to place Participants in situations that make them vulnerable to Maltreatment. This includes, but is not limited to, instructing an Athlete and coach to share a hotel room when traveling, hiring a coach who has a past history of Maltreatment, assigning guides and other support staff to a para-Athlete when the guide or support staff has a reputation for Maltreatment or assigning such a guide or support staff to a para-Athlete in the absence of consultation with the para-Athlete.
