

National Assistant Coach

Bowls Canada is looking to expand our high-performance team with the addition of a new National Assistant Coach.

The purpose of the National Assistant Coach is to liaise directly with the High Performance Manager and National Team Coach. The National Assistant Coach is expected to provide coaching support to the National Team as directed by the High Performance Manager and National Team Coach.

Responsibilities include delivering, monitoring and evaluating the Bowls Canada High Performance Program. The Assistant National Coach understands the important role that quality programs such as NCCP, long-term athlete development, and various other Bowls Canada programs. More information on the requirements and qualifications can be found here: <https://bowlscanada.com/wp-content/uploads/2022/11/2022-National-Assistant-Coach-Description.pdf>

Interested candidates should submit their resume and cover letter directly to High Performance Manager Don Caswell via email (dcaswell@bowlscanada.com) no later than December 9, 2022. Only candidates selected for an interview will be contacted.
