

2022 National Teams Alumni Program

Are you a former national team member who has thought about coaching, but wasn't sure about how to get started? This program is designed for you! The National Team Alumni Coaching Apprentice Program aims to fill the gap between competing at the international level and coaching.

Prior coaching experience is an asset but not necessarily required. However, the desire to assist others in achieving their goal to compete at the highest levels is essential.

For more information and to find out how to apply, visit the following link: <https://bowlscanada.com/wp-content/uploads/2022/11/2022-National-Team-Alumni-Program-Description.pdf>

Interested candidates can apply in writing directly to High Performance Manager Chairperson [Don Caswell](#). Applications should include the following information:

- Name and contact information
- A brief outline of their involvement with the national team program
- An outline of their coaching goals
- An explanation of why they would like to be a part of this program.

Applications are accepted on an ongoing basis.
